Recent Developments in Toxicology: Trends, Methods and Problems Proceedings of the European Societies of Toxicology Meeting Held in Leipzig. September 12-14.

### **Recent Developments in Toxicology: Trends, Methods and**

In recent years, forensic toxicology has benefited from advances in broader areas of science and technology. However, the demand for toxicological examinations has continued to grow, outpacing the ability of the Nation's forensic crime laboratories to process them. This solicitation aims to increase the amount of research, development,
