The Universal Periodic Review is a process undertaken by the United Nations Human Rights Council. It involves review of the human rights records of all 192 Member States once every four years. The ultimate aim of the Review is to improve the human rights situation in all countries and address human rights violations wherever they occur.

Yes. Investigators who conduct human subjects research that is exempt from Institutional Review Board (IRB) review and approval (six exempt categories defined in 45 CFR part 46.101(b)) must comply with the education requirement. NOTE: From September, 2002 through March 9, 2005 NIH investigators conducting human subjects research meeting the criteria for Exemption 4 in the HHS regulations did ...
