

secrets the forgotten countries pdf

The right to be forgotten is a concept that has been discussed and put into practice both in the European Union (EU) and, since 2006, in Argentina. The issue has arisen from desires of individuals to "determine the development of their life in an autonomous way, without being perpetually or periodically stigmatized as a consequence of a specific action performed in the past."

Since intention (niyyah) is the criterion of value in every act including worship, it is the first obligatory act in prayer. Considering its importance, a separate and lengthy chapter has been included for the examination of its dimensions, with the hope that by doing so, we would succeed in giving more value to all devotional acts. Intention (niyyah) as the criterion of value
