ECommerce should be a part of almost every small business. It can be as simple as becoming an affiliate of Amazon, or as full-featured as a unique online store with integrated checkout. But it can also be as simple as including a link to schedule appointments at a hair salon which also offers email marketing reminders of specials or a way of ordering personal care products online.

assuring that a fair proportion of the total purchase and contracts for goods and services of the Government in each industry category (as defined under paragraph (2)) are awarded to small business concerns.

15 U.S. Code Â§ 644 - Awards or contracts | US Law | LII

Viral marketing or viral advertising is a business strategy that uses existing social networks to promote a product. Its name refers to how consumers spread information about a product with other people in their social networks, much in the same way that a virus spreads from one person to another. It can be delivered by word of mouth or enhanced by the network effects of the Internet and ...
